5. ~~4.~~ To have such other duties and powers as may be conferred upon it by the ~~General Conference~~ **Global Connectional Conference**.

~~6.~~ ~~5.~~ To provide its own methods of organization and procedure.

Insert new paragraph between ¶¶ 56 and 57 as follows:

¶ 57. Article III.—There shall be connectional judicial committees in each connectional conference. Connectional Judicial Committees shall have five members who shall be elected by the respective connectional conferences. The respective connectional conferences shall determine the qualifications of their respective connectional judicial committee’s members, their terms of office, and the method of election by the connectional conference and the filling of vacancies.

The Connectional Judicial Committees shall have authority to review matters of

connectional church law as follows:

1. To determine the legality of any act of their respective connectional conferences upon an appeal of a majority of the respective connectional College of Bishops or one-fifth of the members of the Connectional Conference in accordance with their connectional disciplinary law, and to determine the legality of any act of one of their regional conferences upon an appeal of a majority of the bishops of that regional conference or upon the appeal of one-fifth of the members of that regional conference in accordance with their connectional disciplinary law.

2. To hear and determine any appeal from a bishop's decision on a question of connectional disciplinary law made in the annual conference when said appeal has been made by one-fifth of that conference present and voting.

3. To pass upon decisions of connectional disciplinary law made by bishops in annual conferences.

4. To hear and determine the legality under connectional law of any action taken therein by any connectional conference board or regional board or body, upon appeal by one-third of the members thereof, or upon request of the connectional college of bishops or a majority of the bishops of a regional college of bishops.

5. To have such other duties and powers as may be conferred upon it by its respective connectional conference.

6. To provide its own methods of organization and procedure.

Insert new paragraph before ¶ 57 as follows:

¶ 58 Article IV.—Connectional Judicial Committees shall not have authority to review

matters of constitutional and/or global church law. Questions that include such points, including when they include points of connectional and constitutional and/or global church law, shall be referred to the Judicial Council.

Amend paragraph 57 as follows:

~~¶ 57 Article III~~ **¶ 59 Article V.**—All decisions of the Judicial Council shall be final. When the Judicial Council shall declare unconstitutional any act of the ~~General Conference~~ **Global Connectional Conference** then in session, that decision shall be reported back to that ~~General Conference~~ **Global Connectional Conference** immediately.

Amend paragraph 58 as follows:

~~¶ 58. Article IV~~ **¶ 60. Article VI.**—The ~~General Conference~~ **Global Connectional Conference** shall establish for the Church a judicial system that shall guarantee to our clergy a right to trial by a committee and an appeal, and to our members a right to trial before the Church, or by a committee, and an appeal. **This right shall also be respected by the connectional conferences.**

FINANCIAL IMPLICATIONS:

The actual incremental costs of this proposal will be dependent upon the global structure finally adopted by General Conference.

There will probably be some additional costs related to connectional conferences, committees, etc., but these costs may be offset by a possible reduction in costs related to the meeting of the Global Connection. If the business of the North America connection is removed from the agenda of the Global Connectional Conference, the duration of that meeting will be less than the current General Conference, perhaps by three or four days, resulting in a reduction in costs for that meeting.

The most significant increase in costs will probably involve the meetings of the connectional conferences. This proposal would require each connectional conference to meet quadrennially, prior to the Global Connectional Conference. Depending upon when and where the connectional conferences meet, the incremental cost of these meetings is estimated to be between US\$300,000 and US\$1,000,000. GCFA will be asked to develop more accurate cost projections.

Any incremental cost increases will also need to be examined in the context of the overall budget for the 2016 General Conference budget of over US\$10 million.
